Experience beautiful Stevns with your family biking to cliffs, forest and beach.

Experience Stevns through the panoramic tour "The Dramatic Cliffs of Stevns" Choose between 22 or 42 km. Plenty of opportunities for stops on the way where children can play and explore the outstanding nature ex. The Chalkpit of Boesdal, Højerup Church or the Lighthouse of Stevns.

During the summer (1/7-10/8) The Museum of Stevns in Højerup offers family activities every day 11:00-14:00. Afterwards you may participate in a one hour guided tour on the cliffs. (14:00-15:00)

Or you can just spend the day relaxing, resting your legs, visiting our lovely beach or take a stroll in the Harbour Rødvig.

Returning to Rødvig Ferieby after an exciting day you may want to play crazy golf before preparing your barbecue which you can enjoy in the tipi listening to the fire crackle in the candle light.
